**CONTRACT AWARDED FOR  
WEST PARK HEALTHCARE CENTRE REDEVELOPMENT PROJECT**

Infrastructure Ontario and West Park Healthcare Centre are pleased to announce that EllisDon Infrastructure Healthcare (EllisDon) has been awarded a fixed-price contract to design, build, finance and maintain the West Park Healthcare Centre Capital Redevelopment Project.

The contract is valued at \$1.2 billion. The selection of EllisDon is the result of an open, fair and competitive procurement process overseen by a third party fairness advisor.

The EllisDon team includes:

- Applicant Lead: EllisDon Capital Inc.
- Lead Architect: CannonDesign Ltd & Montgomery Sisam Architects
- Constructor: EllisDon Design Build Inc.
- Facilities Management Provider: EllisDon Facilities Services Inc.
- Financial Advisor: EllisDon Capital Inc.
- Mechanical and Electrical Subcontractor: Modern Niagara Toronto Inc. & Ozz Electric Inc.

EllisDon will now mobilize on site and work will begin this fall. Construction is expected to be complete in early 2023. Visit [here](#) for more project details.

**About West Park Healthcare Centre**

West Park Healthcare Centre helps patients get their lives back by providing specialized rehabilitative and complex care after a life-altering illness or injury such as lung disease, amputation, stroke, and traumatic musculoskeletal injuries. West Park is building a new hospital and transforming its 27-acre site into an integrated campus of care, enabling the hospital to evolve its rehabilitative programs to meet Ontario's future healthcare needs. In addition to the new hospital, West Park will revitalize its green space with extensive landscaping for outdoor therapy, therapeutic gardens, walking paths and courtyards.

**Quotes**

“Supporting the West Park Healthcare Centre project is just one of the ways our government is delivering on our promise to end hallway medicine and reduce wait times in Ontario. With this announcement, we are closer to creating more capacity within our health care system by opening more beds and helping more patients with life-altering illnesses and injuries.”

***Christine Elliott, Minister of Health and Long-Term Care***

“Investing in health care infrastructure is key to delivering on our promise to make life better for patients and their families. This project highlights our government’s commitment to building the modern and reliable infrastructure that Ontario needs.”

***Monte McNaughton, Minister of Infrastructure***

“Our unique campus has a rich history that stretches back more than a century, but it’s the future that holds the most promise for us. We have a clear vision, and with the help of EllisDon, we are on the bold path to transform West Park into a world-class centre of rehabilitative care. Our new campus of care will provide Ontario patients with a unique rehabilitative environment to help them get their lives back.”

***Anne-Marie Malek, President and CEO, West Park Healthcare Centre***

“Infrastructure Ontario is pleased to partner with West Park Healthcare Centre and EllisDon to improve access to health care and provide benefits to the community using modern project delivery.”

***Ehren Cory, President and CEO, Infrastructure Ontario***
